

A photograph of a large glass display case, likely in a public building or library, filled with various informational posters and brochures. The display is set against a green background. The posters include:

- A large poster on the left titled "防空洞" (Air Shelter) with illustrations of people in shelters.
- A poster in the center titled "校園App之風" (Campus App Wind) featuring a cloud of colorful app icons.
- A poster on the right titled "市政服務" (Municipal Services) with a yellow background and a list of services.
- Several smaller posters and brochures, including one titled "校園App之風" (Campus App Wind) and another titled "市政服務" (Municipal Services).

The display case is made of glass and has a metal frame. The background is a solid green color. The posters are arranged in a grid-like fashion, with some overlapping. The overall scene is well-lit, and the posters are clearly visible.
